

# Convertible Hand Trucks

## Exclusive Features

- **Black Powder** coated slide/swivel tubes, helps to eliminate sticking when placing into up and down positions.
- **Frames have** 4-sided, ribbed cross members and extra wide logo channel for rigidity and strength.
- **Military Grade** rivets, also used on aircraft, prevents frame from loosening up.
- **Heavy Duty**, high quality TPR casters with longer lasting bearing and metal wing-brake standard on one side.
- **Extruded Wheel** brackets are guaranteed for life to never crack or break.
- **Lock bar** brackets have roll pins and cotter pins versus thin spring clips for superior strength and reliability.
- **Solid or** perforated deck options available as a snap-on accessory or permanent fixture.
- **Exclusive 2 year warranty!**

### **Liberator** High Capacity Convertibles

- Choose from numerous extruded nose plates, wheels and accessories.
