

# Fourth Wheel Attachment

The **Liberator** fourth wheel attachment is designed to take the load off the operator.

- Lightweight design. Adds only 9 lbs. to the hand truck.
- 600 lb. capacity
- Attached easily to Liberator and S-Series hand trucks.
- Smooth rolling TPR casters.
- Works with 8" or 10" wheels.
- Latch and pin keep the 4th wheel extended.
- Catch locks it up and out of the way when not in use.
- Requires Liberator axle brackets to adapt to other hand trucks.
- Not compatible with stair climbers or convertible hand trucks.
