

Junior Bulk Delivery Cart

P/N	Description	Center Wheels	Casters	Width x Length	Weight	Capacity
FHE-16	Jr. Bulk Delivery Cart w/1 Round Handle	6" Polyurethane	5" Corner Casters	16" x 60"	64 lbs	1,200 lbs

- Same heavy duty construction in a more compact, lighter weight design (16" W x 60" L).
- Reinforced, heat treated handles for exceptional resistance to bending.
- Caster plates are full width and won't break like multi piece designs.
- Option for a 2nd handle available.
- Optional carrier plate allows storage and transportation in most hand truck racks or carriers.
- Developed with food service and beverage distributors.
- Ideal for long run deliveries: malls, airports, etc.
- Pivots on center casters for easier maneuvering in tight places.
- Removable handle for storage and transportation.
- Built to last with an industry leading 3 year warranty!
- 1,200 lbs. capacity.
