

Commercial Ice Cart

The **Liberator** Ice Cart was developed to provide a safer, easier way of delivering more ice, more efficiently.

- The heavy-duty vinyl liner and integrated tray prevent ice spills and water dripping on customer's floors.
- The three sided, tilt back design keeps bags of ice securely in place.
- Liner helps keep warm air out and cold air in while transporting into stores.
- Uses Carefree® non-marking, no-flat wheels with a two-year warranty.
- Foot brake locks both rear wheels for safe loading and unloading.
- Front swivel casters allow you to maneuver in tight places and get over thresholds easily.
- The liner can be silk screened with your company logo for easy brand identification.

Specifications	
Part Number	5012-002
Overall Height	64"
Overall Width	22"
Handle Height	41"
Overall Depth	30"
Inside Width (useable)	19"
Inside Depth (useable)	19"
Weight	62 lbs.
