

Ratchet Strap Attachment

The newest addition to our line of hand truck accessories, the ratchet strap attaches to virtually any hand truck. Works with appliances, barrels, large boxes-practically any load that needs to be secured!

- 2" x 10' heavy duty strap (3,000 lb working load limit) reaches around large loads
- Steel hook is vinyl coated to help resist marring
- Self winding design for quick 1 button deployment/rewinding
- Lightweight aluminum bracket allows mounting to virtually any hand truck. Features integrated hook slot
- Simple 4 bolt (hardware included) installation allows attachment at various heights on hand truck
- Broken or damaged ratchet mechanism can be easily replaced with one bolt
